Regulations for Admission into Church Schools, Malta Kindergarten 1 - 2013-2014

Admissions Criteria

1. Applicants to be Awarded a Place :

- a. Children from Church Homes.
- b. Siblings in the same school, or a school of the same religious congregation, residing in the same house and within the same family; one of the siblings must still be attending a Church school during scholastic year 2012-2013. Applicants may be registered in the same school as their sibling, or in a school run by the same religious congregation. The criterion for siblings may also apply in other years if vacancies occur.
- c. Children of Church School Employees in the same school where the parent works, or in a school belonging to the same congregation when the school is on the same site or when there is no admission to a higher level, and when the applicants are of the same gender as that of those enrolled in the higher level. The parent should at least have been in post for one year from the beginning of the next scholastic year. This criterion does not apply when the parent works in a girls-only school and the child is a boy and vice-versa. Those who do not qualify for a place in this context may apply under the Other Applicants criterion (Para. 3).

The schools which can accept children of Church School Employees in Kinder 1 are:

St. Angela: Cospicua, Msida, Rabat, Żabbar.

St. Francis: Luqa, San Ġwann, St. Paul's Bay, Santa Luċija, Siġġiewi.

Theresa Nuzzo: Ħamrun, Żejtun.

- d. Children attending a Church School and who wish to be transferred to another Church School belonging to the same congregation. This applies between the Schools of St. Angela; between the Schools of St. Francis; and between Theresa Nuzzo Schools.
- 1.1 Criteria 1a-d are hierarchically structured: children from Church Homes are admitted first, then siblings, then children of Church School Employees, and finally those requesting a transfer.
- 1.2 Applications under Criteria 1a-d will be accepted if the number of these applications is not greater than the vacant places in the relevant school/s. If the number is greater, a ballot will be held amongst the applicants of each criterion according to the criteria hierarchy. With reference to siblings and when there is no vacancy, siblings may choose another school of the same religious congregation if this is the case. The others are to participate in the Choice of School Ballot.
- 1.3 During the Choice of School process a vacancy may arise in a school for which applicants under Criteria 1a-d had not been awarded a place. In such a case, such a vacancy will be offered according to the Criteria hierarchy and according to the place resulting from the relevant ballot. For the sake of transparency, the lists of names and the order of applicants by school are published on www.maltadiocese.org. These lists will also be published and read out during the Choice of School. If a vacancy arises for which one of Criteria 1a-d can be applied, this takes precedence even over the General *Waiting List*.

2. A limited number of children considered as **Grave Humanitarian Cases**:

- 2.1 The schools are ready to accept children who are statemented and need the assistance of a Learning Support Assistant (L.S.A.) or similar; or who can be considered as Grave Humanitarian Cases and for whom they can provide an individualised educational programme (IEP).
Whoever has the assistance of an L.S.A. or similar, or has started or is about to start the statementing process at the Statementing Moderating Panel or at the C.D.A.U., or has or will have certification from an educational psychologist or similar, and which can lead to the assistance of an L.S.A. or similar, must apply as a Grave Humanitarian Case.
Those who do not apply according to the Grave Humanitarian Cases criterion are declaring that their child does not need the assistance of an L.S.A. or similar. **Consequently, if it is discovered that an applicant who has enrolled in a Church school needs the assistance of an L.S.A. or similar, he/she loses his/her place in that school.**
- 2.2 The Regulations that govern admission of Grave Humanitarian Cases into Church Schools are being published as a separate document, entitled: "Regulations for Admission into Church Schools, Malta 2013-2014 – Grave Humanitarian Cases". The Regulations for **Grave Humanitarian Cases** form part of these same Regulations. This document is available from the website www.maltadiocese.org

3. **Other Applicants:** to be drawn by ballot.

3.1 Siblings may apply as Other Applicants for admission into the same Year (e.g. twins), or different Years. If the elder sibling is awarded a place, the younger sibling will also be awarded a place as per Siblings criterion (para. 1b). Therefore, on the Application Form, each sibling must declare who the other sibling is and which Year of Admission the latter is applying for. If this requirement is not adhered to, the Criterion for Siblings will not apply.

4. Eligibility: Applicants born in the year 2010.

The Board will consider requests for exemptions from applicants who, for some reason, are a year older. These requests are to be addressed to the Secretary as indicated in Para. 18.
