

Literature to be submitted with Technical Offer (Note 2B)

The use of FTS drawings or compilation of information by the bidder (copy and paste from websites etc.) is not considered as technical literature and thus, will not be considered.

Supporting documents and printed manufacturer's technical literature furnished by the tenderer may be in another language, provided they are accompanied by an accurate translation into English. For the purposes of interpretation of the tender, the English language will prevail.

All bidders are to note that photos submitted as manufacturer's technical literature shall not suffice. Literature must include the respective detailed manufacturer's technical literature.

The submission shall be in a structured form and is to be in the same sequence as listed hereunder for ease of reference and evaluation.
